Loans are available to help you pay your tuition fees

Advanced Learner Loan Bursary

If you are aged 19 years or over and thinking about Further Education, you may qualify for an Advanced Learner Loan Bursary. These loans can help you pay tuition fees on Level 3, 4, 5 and 6 courses. You may not have to make repayments on the loan if you do not earn above £21,000 per year.

If you enrol on an Access to Higher Education programme at West Cheshire College and subsequently progress on to and successfully complete a HNC/D or Foundation Degree, Student Finance England will 'write off' any outstanding Advanced Learner Loan Bursary you owe for an Access to HE course meaning you don't have to repay it. The Higher Education course must be eligible for student finance. You will still have to pay for the HNC/D or Foundation Degree course fees.

Paying for your course with an Advanced Learner Loan Bursary is subject to completion. If you leave the course, you may be liable to pay some of the fee based on the proportion of the course you have completed.

Kyle Taylor Construction Apprentice WT Windowstore Ltd

After spending a year at Sixth Form and deciding it wasn't right for him, Kyle looked for something else that would help him with his future. He is currently in a full-time permanent job at WT Windowstore Ltd after completing a Level 2 Apprenticeship.

"After leaving sixth form, I visited Rossmore Industrial Estate to ask employers if they had any job opportunities. At the time, I wasn't sure what I wanted to do, but I managed to get a few offers from companies on the estate. As a result, WT Windowstore Ltd offered me a one-year Level 2 Apprenticeship in Construction with West Cheshire College.

"My first year was good, I enjoyed it a lot. I worked in the factory making units, or on-site fitting windows, doors and conservatories. Studying at College has also enabled me to gain qualifications in English and First Aid. The course involved a lot of work but with help from my employer and the College I managed to finish my modules and complete my Apprenticeship.

"After completing my Apprenticeship, I was offered a full-time, permanent job at WT Windowstore Ltd.

"Choosing to do an Apprenticeship really opened up a lot of doors for me, and has now enabled me to start my career in the construction industry."
